8601 MacArthur Boulevard

Site 301 Region S1 Grades 9-12

Castlemont High School is located on MacArthur Boulevard, and shares its site with Hillside Academy. These two schools are on the southern edge of the Eastmont neighborhood, in a primarily residential community, although MacArthur Boulevard is the exception with a number of small businesses along its path. The two sites are also directly adjacent to the Youth Uprising community organization, which offers programs that engage young people in community improvement projects and personal development programs.
