

Skyline High School

12250 Skyline Boulevard

Site 306 Region S1 Grades 9-12

"Skyline High School is a traditional, comprehensive public high school which offers a strong college preparatory curriculum to a diverse set of students. Located on a beautiful 45-acre campus in the Oakland hills, Skyline is particularly well-known for its wide range of academic classes and electives, an outstanding Performing Arts department, championship athletic programs, and many student clubs." - Skyline High School website

The site's immediate surroundings consist of very low-density residential communities along the few streets in the area, and Redwood Regional Park stretching out to the north and the east. Chabot Space and Science Center is relatively close, three miles to the west further back in the hills, and the Merritt College campus is situated off of Redwood Road, part way down the hill.
